If the shareholder has modified the form with special instructions or conditions, or has altered or added to the pre-printed text, the vote (i.e. the postal vote in its entirety) is invalid. Shareholders with nominee-registered shares must **register their shares in their own name so that the shareholder is registered in the share register as of 30 September 2026**. Such registration may be temporary (so-called voting rights registration) and request for such registration shall be made to the nominee in accordance with the nominee's routines in such time in advance as determined by the nominee. Voting rights registrations effected no later than the second banking day following 30 September 2026 will be considered in the presentation of the share register. If a shareholder who has voted by post attends the Extraordinary General Meeting, in person or by proxy, the postal vote is considered void.
