Important information regarding postal voting

The shareholder may not provide the postal vote with any special instructions other than checking one of the given alternatives in each proposal in the form. If the shareholder wishes to abstain from voting on a proposal, please do not check any of the alternatives. The shareholders may request that resolutions under one or several items on the proposed agenda shall be postponed to a so called continued general meeting, which cannot be held solely by postal voting. Such continued general meeting shall take place if the general meeting decides so or if requested by shareholders representing at least one-tenth of all shares in the company.

If the shareholder has provided the form with special instructions or conditions, or has altered or added to the pre-printed text, the vote (i.e., the postal vote in its entirety) is invalid. Only one form per shareholder will be considered. If more than one form is submitted, only the most recently dated form will be considered. If the same date has been provided on two forms, only the form most recently received by the company will be considered. An incomplete or wrongfully completed form, or a form from a proxy without valid authorization documentation, may be discarded without being considered.

A shareholder that exercises its voting rights through this form does not have to send in a separate notice of participation at the Annual General Meeting. The submitted voting form will be considered as such notice. In order for the postal vote to be valid, shareholders who postal vote must be registered as of 19 June 2024 in the share register kept by Euroclear Sweden AB. Shareholders with nominee-registered shares must **register their shares in their own name so that the shareholder is registered in the share register as of 19 June 2024**. Such registration may be temporary (so called voting rights registration) and request for such registration shall be made to the nominee in accordance with the nominee's routines in such time in advance as determined by the nominee. Voting rights registrations effected no later than the second banking day following 19 June 2024 will be considered in the presentation of the share register.

Shareholders who wish to submit their postal vote through proxy must issue a written, signed and dated power of attorney. If the shareholder is a legal entity, a copy of the registration certificate or equivalent for the legal person shall be enclosed. Proxy form is available from the company upon request and on the company's website, www.eosinv.com, and shall be enclosed to the postal voting form.
